De esta manera podrá comunicarse con sus huéspedes de forma rápida y sencilla.

The screenshot displays the 'avirato' mobile application interface. At the top, there's a navigation bar with tabs: 'Planning', 'Gobernanta', 'Comedor', and 'Chat' (which is highlighted with a red box). Below the navigation bar, there's a calendar view for May and June 2024. The main screen is divided into two sections. The top section shows a list of guests with their names and phone numbers. The bottom section shows a chat window with messages from various guests. The chat messages are in green bubbles on a white background. The bottom of the screen shows a search bar and a list of guests.
